

**Georgia Manufactured Housing Association  
Political Action Committee**

## *PAClub*

GMHA's Political Action Committee makes campaign contributions to candidates for statewide offices and legislative positions. Campaigning for all elected offices is very expensive and it is vital that GMHA support those candidates who support the factory-built housing industries and who understand the importance of work-force housing to Georgia's economy.

In accordance with state law, all funds used for campaign contributions must be maintained in a fund separate from the Association's general account. Funds for the PAC are solicited from GMHA member companies and representatives.

GMHA salutes those companies and individuals who chose to become a member of the *2008 PAClub* in support of the Association's political efforts.

For information on becoming a member of the *2009 PAClub* contact the GMHA office.

### *2008 PAClub Members*

**--ELITE--  
\$5,000**

TOM CANNON  
MARIETTA, GA

**--SILVER--  
\$500**
