

2008 Industry Recognition Awards

During the 2008 GMHA Annual Meeting & Convention held in May at Crowne Plaza Resort in Hilton Head Island, SC the Industry Recognition Awards were presented. These awards were presented to honor companies who have displayed professionalism and integrity in the operation of their businesses during the previous year. Part of the criteria used to determine the winners include the company's employee involvement on the local and state levels and contributions advancing Georgia's factory-built housing industry.
